Figure It Out - Royal Blood VERSE RC

Nothing here to see, Just a kid like me
Trying to cuss and see, Trying to figure it out
Nothing better to do, When I'm stuck on you
And still I'm here, Trying to figure it out

Getting hard to sleep, But it is in my dreams
But it's killing me, To try and figure it out
Nothing better to do, When I'm stuck on you
And still I'm here, Trying to figure it out

I'll let it go 'cause I won't see you later
And I'm not allowed to talk it out
I said I'll come, I'll promise I won't show
But I see you trying to figure it out
I promise you, I'll take a bet on you
But you didn't know I planned it out
I said I'll go, yeah, I won't see you later
And I'm not allowed to figure it out

Nothing here to see, Just a kid like me
Trying to cuss and see, Trying to figure it out
Nothing better to do, When I'm stuck on you
And still I'm here, Trying to figure it out

I'll let it go 'cause I won't see you later
And I'm not allowed to talk it out
I said I'll come, I'll promise I won't show
But I see you trying to figure it out
I promise you, I'll take a bet on you
But you didn't know I planned it out
I said I'll go, yeah, I won't see you later
And I'm not allowed to figure it out
